BUY NOW!

It does look like a good time to plan a solid beef production program, and I can assure you that there are cattle in this big, joint sale that can help you do this.

I think it always pays to remind ourselves that quality pays off in the cattle business. Right now, as usual, many commercial producers have been receiving from 2¢ to 5¢ per lb. more for the feeder calves and yearlings than have their neighbors. Purebred men have been receiving anywhere from \$100 to \$500 premium for their young bulls. It is the difference in the quality of the cattle that is responsible for the difference in price and sometimes that range of a few cents per pound means the difference between profit and loss for the whole year's operation.

We have seen Shorthorn steers this year, win more than their share of championships at a number of shows. We have seen Shorthorn feeder calves bring a premium over that of other breeds in numerous sales. We have seen the largest crowds at a number of our Shorthorn sales and we have seen more interest in the development of registered and commercial Shorthorn herds than has been with us for several years. The reason for this is simply that we have increased the quality level of our breed to the place where they are attracting the interest of good cattlemen everywhere. This offering is being made by three highly regarded cattlemen and everything sells fully guaranteed and T.B. and Bangs tested. This is the same breeding that has produced many champions and top sellers throughout the midwest. New breeders will find ideal foundation material and well-established breeders will find bulls and females of the quality and breeding that can help raise the standards of their own herds.

Obrecht and Struve-bred Shorthorns are being used widely in outstanding operations across the country. They are breeders that have been "doing things" to improve the quality of their herds. You as a progressive cattleman will never find a better time to think about improving your own herd and you can do something about it at Carroll, Iowa on Saturday, Dec. 15th.

MERV AEGERTER, Sale Manager

The Donald Obrecht Shorthorn operation has been a family affair. Here, Mr. and Mrs. Obrecht admire the trophy awarded to Charles and Donna Obrecht for their 4-H champion beef heifer at the Iowa State Fair. In addition, Charles also won a registered beef heifer for his outstanding Shorthorn performance.
